Dear Friends,

On behalf of the Executive Council of the ESR, we congratulate you for the great success of AERC 2010. Without your strong efforts, your enthusiasm, your expertise, it would not have been possible. As expressed by many of our European and international colleagues, it was a most superb meeting, a real European Rheology festival with high scientific standard, flawless organisation and warm hospitality from all of you, including the invaluable help of the Yellow Badge crew. AERC 2010 at Goteborg will be remembered by rheologists for many years to come.

Our sincere thanks to all of you!

Signed as of April 12, 2010
